

Reinvestment District 2021 Annual Report

Recipient: City of Coralville

Please provide the following:

a. The status of each project undertaken within the district in the previous twelve months, including whether construction has begun on any project in the district or when the start of construction is anticipated and a summary of developer spending on projects within the district.

The Xstream Arena & GreenState Family Fieldhouse ribbon cutting event occurred on September 17th, 2020. Only finishing touches remain to complete the building.

The parking ramp will be temporarily replaced by a surface parking lot while the University of Iowa Hospitals and Clinics completes their planning process.

The Drury Hotel was completed in April 2019.

The Watts mixed-use building, Building G, at the corner of 9th Street and Quarry Road was completed in 2019. Watts Building C was completed in the summer of 2016.

Hodge Construction's building (Mixed Use 1) will be located south of 9th Street and Quarry Road, where the Johnson County Historical Society and Antique Car Museums were located. Now that the new Museum space is completed, Hodge will demolish the old museum location to place their mixed-use building in its place.

b. An itemized list of expenditures from the municipality's reinvestment project fund (funds captured through the program) in the previous twelve months that have been made related to each project being undertaken within the district.

See attached document.
