City of Forest City – *Forest City Municipal Aquatic Center*

Date of Award: 2/14/2007

Award Amount: \$100,000

Project Description: The new aquatic center will be an 8,903 square foot swimming pool with amenities such as zero depth entry, current channel, two diving boards, body slide, lap lanes, umbrellas, and play equipment.

City of Lake Mills – *Lake Mills Family Aquatic Center*

Date of Award: 4/10/2002

Amount Requested: \$60,000

Award Amount: \$59,000

Project Description: Able to accommodate 500 people, the facility will include zero depth entry, diving boards and slides.

Winnebago County Historical Society – *Heritage Park of North Iowa*

Date of Award: 2/13/2002

Award Amount: \$200,000

Project Description: A two-phase project, the Heritage Park of North Iowa will consist of an 1800s church, a country schoolhouse, a sawmill, a barn and petting zoo, and a large collection of steam-powered tractors.

Winneshiek

Winneshiek County Conservation Board – *Paving the Way to Our Success*

Date of Award: 3/14/2007

Award Amount: \$450,000

Project Description: This project will complete the Prairie Farmer Trail and connect it to the Prairie Springs Recreational Trail to develop a 22.5-mile regional trail.

City of Decorah – *Decorah Northeast Iowa Recreational Destination*

Date of Award: 6/14/2006

Award Amount: \$1,600,000

Project Description: This project will complete construction of all but a small portion of a central trail hub, or loop, around the City of Decorah.

Vesterheim Norwegian-American Museum – *Vesterheim Collections Study Center*

Date of Award: 8/10/2005

Award Amount: \$150,000

Project Description: This project includes development of a new Collections Study area adjacent to the existing Museum facility.

Laura Ingalls Wilder Park and Museum – *Burr Oak Bank Building Visitor Center*

Date of Award: 3/13/2002

Award Amount: \$40,000

Project Description: This project calls for the rehabilitation of the Burr Oak Bank Building. The building will serve as a visitor center, provide office space, a brochure display area, restrooms, and gift shop.

Woodbury

City of Sioux City – Cone Park Development Project

Date of Award: 5/11/2016

Award Amount: \$300,000

Project Description: Park features will include open green space, a tubing hill, ice-skating rink/splash pad and four season's day lodge.

City of Correctionville – Correctionville Area Aquatic Center

Date of Award: 4/13/2016

Award Amount: \$100,000

Project Description: This project includes the reconstruction of the existing piping for the pool and pool deck. The current wading pool will be replaced with a zero-depth entry wading pool with attached receiving area for the new waterslide. The main pool will receive a liner, new stairs, and ADA compliant chair lift.

Children's Museum of Siouxland – Children's Museum of Siouxland

Date of Award: 4/11/2014

Award Amount: \$900,000

Project Description: This project includes the construction of a new children's museum that will focus on STEM-based exhibits and programming for children ages six months to 10-years-old.

City of Merville – Merville Main Street Pavilion

Date of Award: 5/8/2013

Award Amount: \$25,000

Project Description: This project includes the construction of a park pavilion that will contain an updated kitchen with hot and cold water, food preparation area, fully handicap-accessible restrooms, and covered open-air seating for approximately 200-250 people.

Siouxland Historical Railroad Association and the City of Sioux City – Milwaukee Railroad Shops Historic District – CAT 2

Date of Award: 5/8/2013

Award Amount: \$314,862

Project Description: This project includes the exterior renovation of five historic buildings, the construction of a permanent restroom facility and an alternative transportation system of interpretive walking trails, parking lot and a miniature railroad.

Siouxland Heritage Foundation & City of Sioux City – City Public Museum

Date of Award: 6/10/2009

Award Amount: \$2,000,000

Project Description: This project will transform a former downtown department store building into the Sioux City Public Museum. The project includes construction of new exhibition spaces; children's areas; public meeting rooms; a research center; a museum store; outdoor green space and visitor-friendly "museum plaza"; and non-public areas for office space and collections storage.

Siouxland Historical Railroad Association & City of Sioux City – Milwaukee Railroad Shops Historic District

Date of Award: 9/10/2008

Award Amount: \$266,446

Project Description: This project includes two major components: building improvements to the Machine/Blacksmith Shop and the construction of the new Railroad Civil Engineering Exhibit Building.

Mid America Transportation & Aviation Museum – Mid America Transportation & Aviation Museum

Date of Award: 4/11/2007

Award Amount: \$700,000

Project Description: The project includes construction of a 40,000-square foot building to house and display the thousands of historical aviation and transportation artifacts.

Siouxland Chamber Foundation – *The Climbing Wall*

Date of Award: 2/9/2005

Award Amount: \$75,000

Project Description: This project features the construction of a climbing wall in the Long Lines Family Recreation Center.

City of Merville – *Merville Community Center*

Date of Award: 10/13/2004

Award Amount: \$300,000

Project Description: The Merville Community Center project will provide needed meeting and gathering spaces for the City of Merville, the Woodbury County Fair, Woodbury County, and the surrounding areas as well as creating a state of the art facility to house the Woodbury County Library.

Worth

City of Manly – *Manly Family Aquatic Center*

Date of Award: 2/8/2006

Award Amount: \$100,000

Project Description: This new aquatic center will have zero depth entry, floatable playthings, shaded in-pool seating, spray features, sun shades, basketball hoops, and a waterslide.

Wright

City of Clarion – *Clarion Public Library Expansion*

Date of Award: 11/14/2007

Award Amount: \$250,000

Project Description: This project will provide for a doubling of the size of the historic Carnegie-style facility. Other features include a larger community meeting room, increased genealogy research space, and improved handicapped accessibility.

City of Eagle Grove – *Eagle Grove Aquatic Center*

Date of Award: 4/12/2006

Award Amount: \$100,000

Project Description: This project includes the construction of an aquatic center with a combination open/closed waterslide, speed slide, drop slide, diving board, six 25-meter swim lanes, interactive play system, eagle slide, and zero depth entry.

City of Rowan – *Rowan Public Library and Senior Citizen/Community Center*

Date of Award: 6/8/2005

Award Amount: \$100,000

Project Description: The new facility will serve as the City's library and senior citizen/community center.

City of Clarion – *Clarion Aquatic Center*

Date of Award: 5/11/2005

Award Amount: \$100,000

Project Description: The Clarion Aquatic Center project will involve renovation of the existing pool and new amenities such as play equipment, spray umbrellas, waterslide, tube waterslide, dual drop slides, mushroom waterfall, geysers, and an arch jet.

Dows Community Development Association – *Dows Community & Convention Center*

Date of Award: 3/13/2002

Award Amount: \$100,000

Project Description: This project includes the construction of a new community and convention center.

RECAT PROJECTS

Waterloo – *Mark's Park and Performance Sculpture*

Date of Award: December 9, 2009

Award Amount: \$135,000

Project Description: This project includes a 4,200-square-foot family friendly park with play equipment and splash features overlooking the Cedar River, and a 15,000-square-foot Amphitheatre.

Dubuque County Historical Society – *Mississippi Plaza & Riverfront Marina*

Date of Award: January 13, 2010

Award Amount: \$1,230,000

Project Description: This project includes the construction of the Mississippi Plaza located between the two buildings of the National Mississippi River Museum & Aquarium. The Plaza will include a living stream; two fish feeding stations; the Huck Finn raft ride; the Events Pavilion; a catfish sculpture; and aviaries. In addition, the City will develop a marina designated for overnight large boat use. The marina will include tie up facilities for 56 slips, navigational aids, concierge services, a dockside shower/restroom facility, and laundry facilities.

Council Bluffs – *River's Edge Park*

Date of Award: June 9, 2010

Award Amount: \$2,000,000

Project Description: This project includes the construction of amenities found on the riverfront of the Missouri River including the Great Lawn, with its edge treatment of walkways, tree planting and vendor facilities; sand area, plaza and planting areas; amphitheater and bank development; trails and walkways, picnic tables, benches and trash receptacles; park road and bio-swales for containment of stormwater run-off; and parking lot for park visitors and events, including associated bio-swales.

Scenic City Empress Boat Club – *Scenic City Empress Boat Club Building Renovation*

Date of Award: October 13, 2010

Award Amount: \$58,000

Project Description: This project includes the major renovation of the 1937 two-story, 2000-square-foot log lodge on the Iowa River. Specific project components consist of replacing the foundation; repairing the deteriorating lower level; and improving the structural design including energy efficiency and green building practices.

Guttenberg – *Guttenberg Riverfront Development and Marina Project Phase II*

Date of Award: October 13, 2010

Award Amount: \$300,000

Project Description: This project includes the construction of the Marina Service Building that will be adjacent to the marina on the west shore. This building will include restrooms and showers, telecommunications, meeting space, interior public common space, and convenience/welcome area for mariner, bicycle, and byways travelers.

Iowa City – *Terry Trueblood Recreation Area*

Date of Award: January 12, 2011

Award Amount: \$1,600,000

Project Description: This project includes the transformation of a former sand and gravel operation along the Iowa River into a recreation area. Specific project components include, site grading, trail construction, roads, and parking. In addition, a LEED certified lodge facility will be constructed as well as two beaches and a small marina.

Dubuque – *Bee Branch Creek Restoration Project*

Date of Award: March 9, 2011

Award Amount: \$2,250,000

Project Description: This project includes the replacement of an underground storm sewer with an open waterway and other public amenities. Amenities will include bike/hike trails, historic lighting, benches, vehicular bridges, and an amphitheater.

Cedar Rapids – *Cedar Rapids Riverfront Amphitheater and Festival Park*

Date of Award: March 9, 2011

Award Amount: \$1,600,000

Project Description: The Amphitheater will be large enough to accommodate a 5,000-person event and will include a wall recognizing project donors, an upper path and plaza space, a sloping lawn, seating terraces, a stage structure, a riverfront trail, and naturalized river's edge. The Festival Park will be located to the south of the Amphitheater, connected by a plaza space with vendors and a tree-lined pedestrian path. The Festival Park will be an open space with reinforced turf, lighting, and vendor hook-ups.

Des Moines – *Des Moines River Trail, Phase 1*

Date of Award: March 14, 2012

Award Amount: \$113,542

Project Description: This project includes construction of a 2.5-mile trail along the Des Moines River from the Meredith Trail in downtown Des Moines to the James W. Cownie Soccer and Baseball Parks, with several street connections to the trail from adjacent neighborhoods along the way. Other project components: signage, kiosks, benches and resting points, and scenic overlooks.

Elkader – *White Water Feature*

Date of Award: September 12, 2012

Award Amount: \$62,000

Project Description: This project includes developing a whitewater feature at a low-head dam that will be modified with special placement of large and small habitat boulders and a wave catalyst structure.

Spencer – *Spencer's Little Sioux Riverfront & Trails Project*

Date of Award: September 12, 2012

Award Amount: \$171,000

Project Description: This project consists of three components: a prominent pedestrian boardwalk with grand viewing plaza and other associated riverfront improvements; the installation of a 140-foot-span, 10-foot-wide bridge connecting to the city's trail network; and paving of almost 1.3 miles of recreational trail.

Charles City – *Riverfront Park*

Date of Award: March 13, 2013

Award Amount: \$36,054

Project Description: This project includes additions to Riverfront Park, specifically two picnic shelters, a trail, and a retaining wall.

Pottawattamie County Conservation Board – *Botna Bend Park Enhancements*

Date of Award: March 13, 2013

Award Amount: \$175,500

Project Description: This project includes construction of a new modern restroom at the north end of the park; concrete and permeable paver camp pads and drives, plus a waterless toilet in the main campground; a waterless toilet and shower tower for water trail users in the south campground; and interpretive panels for bison, elk, wetlands, and the river.

Waverly – *Shades of Rhythm, Amphitheater*

Date of Award: October 9, 2013
